SUMMER CONCERTS

Plan to come to The Club on summer concert evenings. We'll be grilling in front of The Club. Members can enjoy burgers inside, listening to the concerts on Lincoln Way, and enjoying beverages from the bar.

On the evenings when the concerts are on First Street, members can still enjoy The Club's parking, food and beverages before heading to the concert.

Thanks to Dick Waco for again hosting dinner for the Glenn Miller Orchestra at The Massillon Club.

Concert schedules are available at The Club in the Massillon Alive brochure.
